## **A Grass Roots Alliance = Third Party Insurance**

**HEMP, high-profile Independents in the SA State Election, today announced that their Upper House preferences would go to the Greens, No Pokies, Grey Power and the Democrats above the major parties.**

**In the 1993 State Election, HEMP came fifth out of 22 groups and HEMP's preferences made sure that the Liberals couldn't control the Upper House.**

**"The best way for all South Australians to have a voice is to elect an Independent to watch over the Government", said Jamnes Danenberg, HEMP Upper House Candidate.**

**"We want the the job ourselves to stand up for the thousands of South Australians the Liberals want to jail for growing three or more Cannabis plants" he said, "but if we don't get in we'd like to see another small, responsible, community-based organisation in the Upper House. The major parties are old, rigid and arrogant – smaller groups are much more likely to listen to the people of South Australia" he said.**

**"We believe that the Liberals will win the election, so we're preferencing to the ALP above the Liberals in the Upper House, to make sure that the Liberals can't just do whatever they want"**

**"But we're giving the Greens, No Pokies, Greys and Democrats our preferences ahead of the ALP" he concluded.**
